

DURO Power Units are premium power units at an affordable price. Duro matches higher priced competition with equal or superior performance and durability for use in a high volume commercial shop or a low volume hobby shop. Duro features a push button to power the vehicle up to a locked position and gravity descent using a handle operated dump valve. The Duro is field serviceable with readily available parts.

PU-110V-S-K

PU-110V-L-K

PU-220V-L-H

PU-220V-L-H-X

Features

- Manual Release Valve
