

2019 GM TRUCK 'SPIN-UP' CRADLE ADAPTORS

For Use with Lift Models:

TP11KC-DX, TP12KFX & TP15KCX

The Tuxedo GM Cradle Adaptors are designed to better accommodate the wider front frame design for the 2019 GM Silverado and Sierra Light Duty Trucks. The Tuxedo GM Cradle Adaptors includes adjustable spin-up height feature, durable rubber contact pads and designed to work with the lift's standard height adaptors.
